

# **PROJECT FACT SHEET**

## **Atlantic Broadband Project JFK Causeway, North Bay Village**

Beginning in October 2013, Atlantic Broadband (AB) will begin a new project on JFK Causeway. This project will last approximately 4 weeks to complete and will be performed at **NO COST TO NORTH BAY VILLAGE.**

### **Project Limits:**

This project will take place in the right of way on the north side (east bound lanes) of JFK Causeway. AB will perform directional boring in two separate locations:

1. Approximately 800 feet length starting at 1865 Kennedy Causeway and ending at the bridge abutment in front of East treasure Drive.
2. Approximately 600 feet length starting at 1345 Kennedy Causeway around the Shell gas station ending on East Drive.

### **Scope & Purpose of Work:**

This project will perform maintenance construction of the AB cable lines along JFK Causeway. The purpose is to make the cable system stronger against severe weather. Enable AB to restore service faster following storm outages and improve everyday reliability for Village residents.

### **Maintenance of Traffic:**

Date Work will Begin: 10/03/2013; Approximate Date Work will End: 11/03/2013.

### **Lane closures will be as follows:**

During the day: Work area will have a Maintenance of Traffic surrounding the area.

Work will Begin: 7:00 AM

Work Will End: 3:00 PM

During the night: No work after 3:00 PM

Total Number of Lanes - 2

Number Closed – Partial Closures around work area

Number Opened – 2

Work is scheduled to be performed only Mondays through Fridays. Work may occur on Saturdays. No work will occur on Sundays, or any holiday(s). During partial lane closures, motorists will be guided through the work zone by warning signs, trained flagging personnel, barricades, and other channelizing devices. No lanes will be closed on a Friday preceding a Saturday holiday or the Monday following a Sunday Holiday. No existing lanes will be closed during key Special Event Dates as determined by the Village. The Village may adjust lane closure times if conditions warrant.

### **Timeline:**

The project is scheduled to begin in October 2013 and has contract duration of 4 weeks. Please note, however, that this schedule is tentative and could be impacted by bad weather or other unforeseen circumstances.

### **Hurricane Evacuation:**

Should a hurricane or other event make evacuation necessary, the contractor will secure the work zone and make sure that any travel lanes that can be reopened safely are cleared for traffic in order to facilitate evacuation efforts.

### **Helpful hints to guide you safely through the work zone:**

- Give yourself extra time to reach your destination
- Drive the reduced posted speed limit – speeding fines are doubled in work zones
- Follow all signs posted within the construction zone
- Obey flagmen and law enforcement officials
- Never drive or walk into a construction area

### **Public Information:**

North Bay Village will make every effort to announce traffic interruptions/lane closures prior to their occurrence. For more information, please contact the Police Department (305) 758-2626, Project Administrator Juan C. Escoria at (305) 758-7707 or 786-299-1884; or Int. Public Works Dir. Rodney Carrero-Santana, P.E. at (786) 897-9441. You may also visit our web site at [www.nbvillage.com](http://www.nbvillage.com).
