

Pursuant to Chapters 51.04, 52.11 and 94.18 of the Village Code, the rates charged to the Village customers for Sewer and Solid Waste Collection (Sanitation) shall be adjusted annually in the same percentage as the percentage that Miami-Dade County increases the rates to the Village.

Accordingly, the October Utility Bills, which will be sent out in November, will reflect the same increases that we have received.

The Charges are:

Sewer	13.91% increase
Waste Collection (Sanitation)	1.9% increase
