

## Be a part of the making of the MDT10Ahead Transit Development Plan

**MDT10Ahead**, the Fiscal Year 2015-2024 Transit Development Plan (TDP), is a ten-year strategic vision for Miami-Dade Transit to promote the operation of an efficient, reliable, and financially sustainable transit system.

### **How to get involved**

The TDP process provides an opportunity for Miami-Dade County citizens to identify mobility needs and transportation issues. Your input is needed to facilitate public consensus and provide direction for TDP development.
