### Please Note:

**Additional trucks will be onsite 1 to 2 days after completion of any scheduled work shown above. The additional trucks are required to complete the lining process, but the work does not impact water or wastewater service to any property.**

Information will be provided at The North Bay Village Website to impacted properties 24 – 48 hours prior the start of the work.

We need your cooperation to avoid backup of sewage into your residence or business.

We apologize for any inconvenience this may cause.

Any questions regarding this matter, please contact **Janet Delgado 305-619-5313** and **the Village offices at 305-756-7171.**

The above schedule is subject to changes, if it does you will be advised.

Thank you,  
**North Bay Village  
Public Works Department**
